

Hdpe Firework Mortar Racks

Welcome to Platte River Fireworks LLC. We are the largest retail fireworks store in southwest Wisconsin, conveniently located just 10 minutes north of Dubuque IA. Just get on US hwy 151 and watch for our sign located at hwy marker 11. We offer the biggest and best selection in all of southwest Wisconsin. Our 1800 square foot showroom is always fully stocked with the best selection and highest quality fireworks available. For every show and budget, we have what you need. Whether you need a small show for your party or a display for your community, Platte River is all you need. We also carry the largest selection of safe and sane and novelty items including sky lanterns. Our low prices and huge selection are what make us the leader in the pyrotechnic industry. We also carry mortar tubes for the serious pyro. From the small consumer to the large display mortars, we carry them all.

For a listing of our store hours and a map to aid you in finding our location, please visit our contact us page. Wisconsin residents, you will also find you can print your permit before visiting us. Just click on the online permit option and print out your permit form. Have it signed in advance and be ready to shop for your show. We look forward to seeing you.
